The Hon **BARRY JONES** AO will lead discussion and chair the 2011 OUT OF THE DARK forum. Named by the National Trust as one of Australia's 'Living National Treasures', Prof Jones is probably best known as former ALP National President (twice) and MP for the Melbourne seat of Lalor, now held by Julia Gillard. A writer and broadcaster, he is closely involved with education, film, politics, civil liberties, constitutional change and the 'Knowledge Society'.

DR DAVID CORLETT has worked with refugees and asylum seekers for more than 20 years and was the man behind the highly acclaimed SBS documentary *Go Back To Where You Came From*. Dr Corlett hosted the participants of the film - six ordinary Australians - as they undertook a confronting 25-day journey as boat people. He will share his experiences in Malaysia and elsewhere, and present unseen documentary footage.

DATO' M. RAMACHELVAM is an eminent Malaysian Barrister who chairs the Law Reform and Special Areas Committee, and the Migrants Refugees and Immigration Affairs Committee of the Bar Council of Malaysia. He would like to share his experiences about the legal and humane issues around refugees in Malaysia and the discussions going on in his country around the Malaysia Solution.
